

A Funstravaganza...

Expect a funstravaganza with Lou & Ernie. Every moment's a party and every party is a momentous occasion. Their events are filled with funny wit, theatrical scits, and unexpected bits of charm and excitement. The top team in the Houston Bar/Bat Mitzvah scene for 14 years Lou and Ernie are always fresh and flexible. They build the show around you and your child's interests.

Lou is internationally known as a children's educator and performer in the arts, has appeared on national tv, and written for ChildBuilders, a national children's advocate group that educates educators. Ernie is one of the best emcee dancers in the country. Combining a fun and funky attitude with a genuine love for kids of all ages makes him the absolute best at what he does. Together they continue to create games and bits that are used by other top performers.
